We are excited that you will be joining us at Celebrate Me Week 2022! Enclosed with this letter is a packing list. Please keep this information for future reference. You will need it when it is time to head to camp!

Important dates and times to remember

Registration is on the Sunday of each session from 4:00 – 5:30 PM. Dinner will be served to campers following registration. Pick-up time is on the Friday of each session - campers' families are invited to the "Goodbye" ceremony which is set to begin at 7 PM. The ceremony will be held on the grassy area between the Lodge and the lake.

Before you know it, summer will be here and it will be time to get ready for a wonderful week at CMW! Campers – each cabin has 8 campers in it and 2 counselors. You will also have a staff "Buddy" at camp – this guy or gal is sort of like a pen pal. Parents – you will be receiving an important email with additional information in the coming days. Registration balances can be paid on-line (link is in your original confirmation email) or mailed to our P.O. Box.

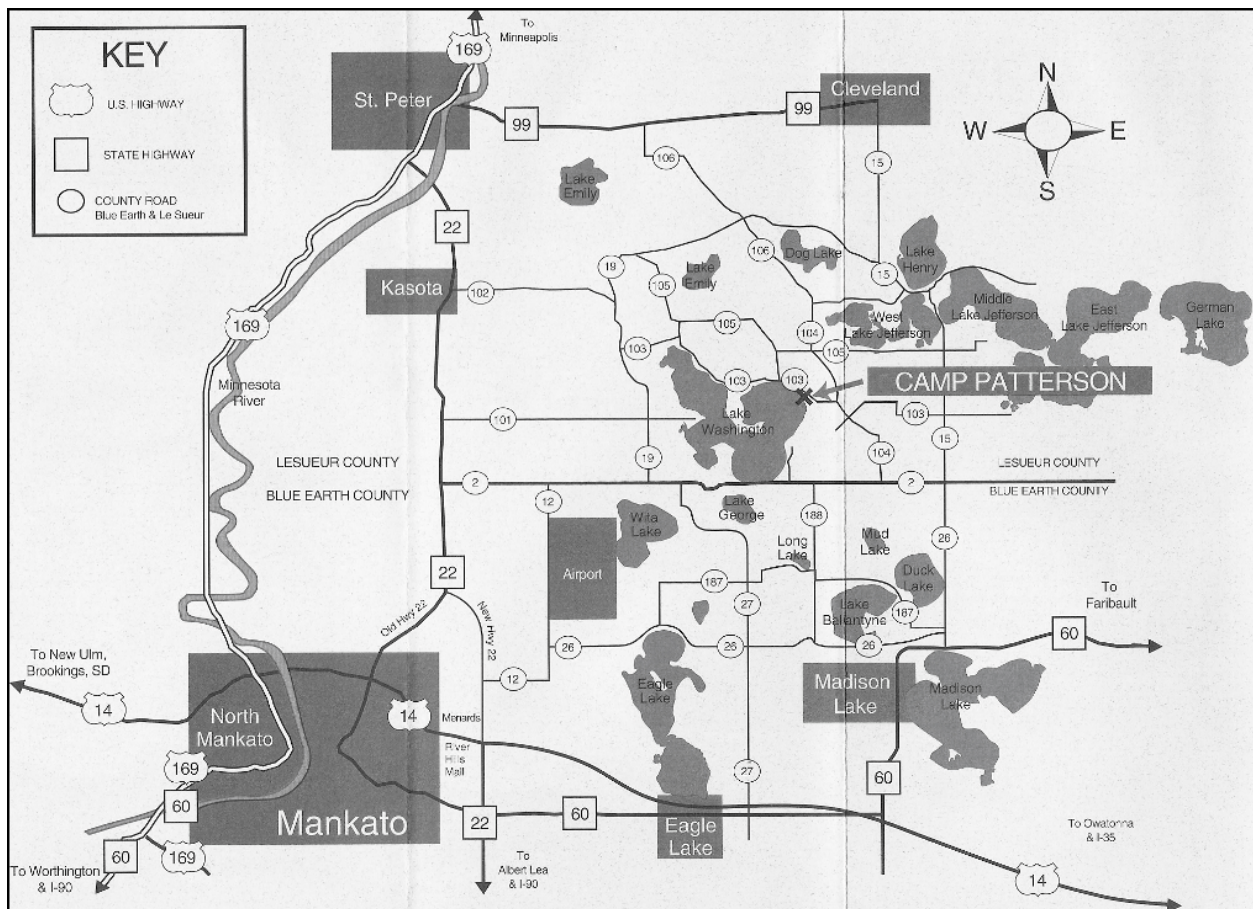

Health/Safety: With 95% of our activities being held outdoors, we will not require masks; however, if you prefer to wear a mask, that is absolutely fine. We do ask that all participants arrive healthy at camp. If you are ill or have had recent covid exposure, please communicate with Directors prior to arrival. The health and safety of our campers and staff will remain top priority during every session of Celebrate Me Week.

For further updates for both campers and parents, please check our website (and be sure to like us on Facebook!). If you have any questions, please do feel free to contact us. We look forward to your participation at Celebrate Me Week!

Sincerely,

Sheryl Olson and Brandon Koppelman

"Care Package" Policy: It is asked that care packages from home be kept to a minimum. We completely understand how much fun it is to show our love through candy and trinkets; however, sending snacks can often lead to melty messes. We've also seen an increase in electronics being sent (phones, iPods, etc...), which are on the list of items to leave at home. Thank you for your cooperation!
