Scholarship Application

Each year we receive donations from previous Celebrate Me Week campers' families as well as previous staffers – with the direct intention for the funds to be distributed to any current campers who may need a little financial assistance. The amount received from these generous families can vary from year to year...

Please complete the following application for a CMW Scholarship and submit by June 20th (by mail or e-mail). All applications will be reviewed by the Board of Directors and you will be notified of your scholarship amount. We also recommend checking in with your home church. Many parishes set aside funds for youth retreats or summer programs like CMW.
