

The Diamond

Conformity-

On Tuesday night, the magnificent Mary shared her story about growing up. She told us about all the different burdens and names she felt she had. She had a really difficult time when her best friend moved away in middle school. These were the names she had thought she was given:

- Lost
- Failure
- Helpless
- Alone
- Child of divorce
- Unloved
- Weak
- Abandoned
- Forgotten
- Fat
- Ugly
- Depressed
- Anxious

Mary finally found God's love when she opened herself to Him. No matter what has happened, what choices she made, what she had ever done, He still loved her, just like how He loves each and every one of you.

Choices

On Tuesday afternoon we heard from Ben, Kacy, and Alexis. They shared with us the different choices and decisions they've made in their past and what the consequences, good or bad, were. Ben spoke about his decision to go to CMW as a camper and then as a staffer. Kacy shared about her decision to attend a party as a freshman in high school. Alexis chatted about her friend choices and the decision to change her friend group. The panel discussed how we will all be put in difficult places when we will have to make hard decisions, but with the help of our CMW toolbox, we can make the best choices.
